

TRANSNATIONAL TRAINING IN CYPRUS

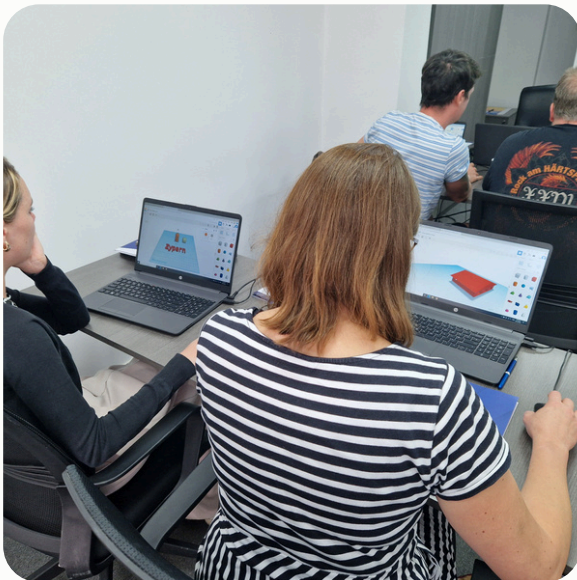

The consortium of the 3DBIZ4YOUTH project organised the project's transnational training mobility face-to-face **between October 29th and 31st, 2024, in Nicosia, Cyprus.**

The train-the-trainer training mobility aims to explore and use all materials, tools and resources developed and registered on the platform.

More specifically:

- Activity 2 and Activity 3 materials presented
- All participants/ youth workers provided feedback about the material for youth workers and the e-book for Young People.
- The e-Learning Platform was presented in detail with all functionalities, and all participants registered and followed all the assessments.
- Podcasts and testimonials were recorded at the end of training by participants to share their experience in the training activity in Cyprus

NEXT STEPS

The next steps are the national 3DBIZ4YOUTH National Hubs in Germany and Cyprus. Stay tuned for more information!
